Additional remarks

- Once the user invitation is accepted, it takes less than one working day until the local account at Hosting Entity is ready
  - In some cases, it requires human intervention
  - Varies by Hosting Entity, some require more than one working day
- Some Hosting Entities require additional agreements to be signed
  - For example: BSC and JSC
  - Please check your emails and spam folders
- In case of questions/comments – contact EFP helpdesk https://docs.my-eurohpc.eu/support
